- 6<sup>th</sup> October 2023 - Week 5 -

Dear Parents and Carers,

This week, Year 5 have been on residential staying at Great Hucklow in Derbyshire. This is part of their Geography curriculum and supports the children's knowledge of human and physical geography features.

There is a growing body of evidence demonstrating the positive impact of residential experiences both on young people's academic outcomes and their wider development. That's why this year we are introducing a Year 4 residential. Going forward this means the children will experience 1 night away in Year 4, 2 nights away in Year 5 and then 3 nights away in Year 6!

It is important that cost doesn't become a barrier to these experiences so please speak to the office / Mrs Hanstock if you need help funding these.

Finally, you will have seen that parents' evening bookings are now live. I will be available on both evenings and if you would like to meet me (or the SENDCo / Family Engagement Officer) please let the office know and we will make sure we are available and can talk privately if necessary.

Many thanks, Mrs R. Major
