

Coddington C of E Primary and Nursery School

We are a large, friendly, child-centered and forward thinking primary school based on the outskirts of Newark. We have 380 on roll and benefit from magnificent staff and hugely supportive parents and community.

When children, parents, staff and governors were asked for their views on Coddington C of E Primary and Nursery School, one particular comment was repeated time and time again - "We are all like one big happy family". This statement sums up the ethos of our school, where we learn together in a happy and caring atmosphere. However, just like a real family, we all support and challenge each other to ensure we achieve our very best. Our personal approach to teaching and learning and inclusive approach allows us to support and meet the needs of every child.

The children have requested a teacher who is 'enthusiastic, hard working with a good sense of humour'. If you feel this is you – please get in touch!
