Dear Parents and Carers,

I can't believe it's nearly February half-term next week! We are ending with a party as the Rock Star Disco will finish the week in style! Thank you to all involved.

Children's Mental Health Week will also take place from the 5th -11th February and the theme this year is "My Voice Matters". My Voice Matters is about empowering children by providing them with the tools they need to express themselves. When we feel empowered, there's a positive impact on wellbeing. On our website you can our new Children's Mental Health and Wellbeing Policy which details how we support all children at Coddington.

On Monday, we have our Explore Day where each year group is exploring a country within Africa. We will be linking this to Mental Health Week and considering the voice of African children in their lives.

Thank you for your support,
Mrs Major
