Newsletter

- 15 March 2024 -

Dear Parents and Carers,

On Tuesday, we had super science day with a focus on ‘Awe and Wonder!’ Experiments were happening all over the school with an abundance of ‘wow’ moments!

Plenty of sport also this week. Well done the football, netball and hockey teams for representing the school! What we are most proud of is how you showed respect, teamwork and resilience.

School Clubs - Feedback

In the parent voice feedback, some parents suggested they would like bookings for clubs etc. open in the evening to make sure they have a fair chance of registering. We have considered this and going forward are going to do the following:

- Open all club / parents evening bookings at 6pm
- Not do first come, first serve but collect all names interested and either pick at random or give all children a chance to take part over the year.

You can find a list of the clubs on offer at [Coddington CofE Primary School - School Clubs](#)

Thanks for your ongoing support,

Mrs. Major
