- 19 April 2024 -

Dear Parents and Carers,

We hope that all families enjoyed the school break and for those who celebrated Easter or Eid, the reflective time filled your heart with peace, love, and a richness that religion can bring.

Social, Moral, Spiritual and Cultural (SMSC) Development is an important part of our daily life at school. Adah and Oliver kicked off presenting our first Picture News segment this week with ‘What does art mean to you?’ We prompt children to think about how these news articles links with protected characteristics such as age, race or disability. Equally, the UN Rights of a Child. The children always love to hear they have the right to rest and relax (just not in the middle of a maths lesson!)

Also, this week, some nursery parents found out their school placements for September – thank you for picking us! We are looking forward to continuing your little one’s educational journey.

Have a great weekend, Mrs Major.

### Safety Reminder

Please no scooting or bike riding on the school playground. We’ve had a couple of near misses recently.
