

Newsletter

- 8th Sept 2023/ Week 1 -

Dear Parents and Carers,

What a brilliant first week back! It has been great to see all the children again and they really have started with a super attitude to learning. Thank you for your help with this.

This newsletter intends to combine 'The Week Ahead' and 'Rays of Sunshine' previously shared. It is available on dojo and on our website from Monday. It is an overview of key pieces of information you need. If you would ever like more detail, please contact the office or your class teacher.

Teachers have been working hard to prepare 'The Year Ahead' booklets which intend to give you an idea of what your child is learning, key dates, trips, and costs for the year. Children will be bringing these home next week.

Keep your eye out for our new website which is launching early next week. In the meantime, I will share a link to our new school video.

Have a great weekend and thank you for your ongoing support of the school.

Mrs R Major.
